What to Expect.

Call us to Schedule your Sitting.

Your sitting will be at the location of your choice. The shoot can take anywhere from one half hour to 2 hours depending on the number of people and the mood of the youngest participants.

Try to dress everyone in solid more muted colors so what stands out is them and not their clothing.

We will need a few days to process the photos.

After the shoot we will schedule time to review the photos and make selections.

You will receive your portraits within three to four weeks.
